REPORTS

H&I – We meet at 1:00 pm on the day of area service. All current presentations are going well; there are no concerns at this time. We have flyers for H&I, stating that we help. We ask that GSR’s please take them to your home group and announce. We are presently pursuing taking a presentation into the Rockdale House for Men. We are checking to see what night is open for us to go in. There’s a real good chance that we could get this up and going by the end of July. We are going to discuss with Teresa, the activities chair, about having a workshop at the campout in September. The intent is to recruit people for H&I. As of August, we will be having flyers to announce H&I sub-committee meetings to help get the message out. We are also suggesting that each person strive to bring five NA members with them. We also have been getting it out that anyone on an H&I panel or whom attend presentations need to be present at H&I sub-committee meeting.

In loving service,

A.J.

Admin – No meeting held before area.

Treasurer – Dear East End NA family: I apologize for missing are. I had a work scheduling conflict due to the 4th of July, and the change in the date of the area meeting. But, Jeremy has graciously agreed to bring this report to area this month. So for now, here we are – and here is your report. On 7.11.10, the area has an ending balance of \$1,692.70 and one payment of \$50.00 outstanding to boost mobile that will post on 7.12.10 – leaving \$1,642.70. The bank statement reports \$1,633.70 and is a \$9.00 difference. I still plan on contacting Wachovia to ask for an explanation of this charge (I said last month I believe we were charged for printing of a year's worth of bank statements). Either way, I will be researching this before next month. If the bank does not explain it, I will add \$9.00 of my own money so we are balanced – no problem. Please remind your home groups of the need of an alternate treasurer.

Thank you for letting me serve

Intent: To provide the RSC with the means to utilize video learning tools and presentations rather than giving to produce paper copies. The projector would also be used by the PR committee, H&I and GRCNA CPP for things like the “In memorium” video shown at GRCNA. All video presentations that have been done were done with privately owned equipment. The majority of learning tools and session profiles being developed by the fellowship are

powerpoints or flash presentations that require a projector or large video monitor to use. Based on the workshops done for the various ASC's last year, the cost of black and white copies for 17 workshops at an average cost per workshop of 67.50 each, the total spent on copies would have been \$1012.50.
