**H&I Subcommittee Report to EEASCNA**  
**Nov. 3, 2013 – Vic F, Chair: 770-608-0404**

**1. WEBSITE AND GSR FORMS.**

Thanks to everyone, especially Susan, for making a new H&I webpage available to all. Within the next few days, the page will be geared towards supplying the information and means for any addict in the East End to participate on some level of service.

One example will be the forms every GSR should have available at every meeting, particularly the monthly Group Conscience. While these forms are always available for you to pick up at Area, but they will now be available for download from the new webpage as well.

They are:       The Positions and Facilities Summary  
                  The H&I Sign-up Sheet  
                  The Bridge Sign-up Information and Sheet

(Every group should have multiple copies of the last on hand at all times.)

If anyone has any completed forms, now is the time to turn them in each month.

**2. SUBCOMMITTEE ELECTIONS ON NOV 16<sup>TH</sup>.**

\* H&I meets on the third Saturday of any month. We offer an introduction for new volunteers to H&I at 10:30am. The regular Group Conscience meeting begins at 11am. Each November, elections are held.

\* *PANEL LEADERS.* Every meeting has one person responsible for basic oversight who reports to the subcommittee. Important new vacancies are:

*Rockdale House for Men, GRAN Women, New Day Life (men)*

\* *Other elections:* Vice Chair, Secretary, Lit Chair, Panel Coordinator North, Panel Coordinator South. Some servants may seek re-election, but everyone is subject to group conscience.

**3. GWINNETT JAIL APPROVALS.** We have a new contact for the jail, and Dep Baird is an experienced professional with other volunteer programs at the facility. Although he does not oversee approvals of new applicants, he can provide a renewed sense of urgency. Getting the jail's cooperation on this question remains our biggest challenge. WE have no control over this process, but we can provide a continual list of volunteers that builds pressure within the process, showing NA's support for H&I at the jail. We need panelists now to serve in 2014.

*NEW Jail Applications for service at the jail can be downloaded from the H&I webpage!*

**Dear Family,**

**Thanks for understanding last month concerning the delivery of my report, giving you a piecemeal report with out giving you something tangible just did not make sense. I am grateful to say that the minutes were finally posted last week so I am able to provide you with a accurate and thorough report. Unfortunately I cannot do that in person, as many of you may know I have been doing triathlons for the past year and my ultimate goal is to complete an IronMan distance triathlon, which I plan on doing in Nov 2014, in order to ensure that dream comes true I have traveled to Panama City beach to volunteer for IronMan Florida 2013, which will give me priority registration for next years event, other wise entry is almost impossible as the race sells out in a matter of minutes. I hope this explains my absence I have let Jennifer know my situation and she is prepared to serve you in my absence.**

**I have attached the regional topics once again, and they will be included in the minutes please go over them with your groups if you have not done so already and the results of the last regional topics are as follows**

**Consensus was reached on all topics which were to discuss travel reimbursement rates and the removal of irrelevant or incorrect language in the policy as well as moving open forum to after reports. During nominations and elections Karen J from Coastal Area was elected as secretary alternate and Josh B was nominated to the GRC Inc pool, he resume will be attached to this report.**

**New business was eventful 1<sup>st</sup> the region gave Ray L the RD the finances needed to secure the hotel for the SEZF (South East Zonal Forum). 2<sup>nd</sup> two other discrepancies were found in the policy so topic 2013-6 and 2013-9 are attached to address those issues. 3<sup>rd</sup> following the mileage conversation the admin decided to suggest to the body to use 80% of the current federal guidelines to be adjusted once per year during budget adjustments topic 2013-7 is attached to address that. 4<sup>th</sup> as mentioned last month because of our facilitators' hard work as the insurance liaison the region was able to save the region 4955.00 per year topic 2013-8 attached addresses this issue**

**The topics to be voted on are fairly self explanatory and should be a no brainer but in the interim if you have any question or concerns please do not hesitate to call me or email me @ 404-542-8509 or [jol-n-atl@att.net](mailto:jol-n-atl@att.net)**
