Topic 2013-3: To discuss a committee or point of accountability to address inconsistencies in our Consensus Based Decision Making policy (Jeremy said not really sure why this was even turned into a topic)

P.R. Report

July 20, 2013

Committee Member Present

Fred, Joe, Dinky, Art, Susan

Topics Discuss

We discussed money raised at Unity Day, will be donated to H&I for literature. We discuss topic at last A.S.C. to donate to activity committee and we as P.R. feel that if activity need literature they should include H&I or P.R. committee in the event, at last Unity Day Event the meeting schedule were well outdated. We would like to suggest that activity include H&I or P.R. committee to the events, to bring literature and assist in carrying the message.

G.S.R. Training Sessions:

We discuss putting together G.S.R. packet, Dinky suggested that P.R. attend home group conscience meetings, which means we'd have to attend there meeting that day or night. G.S.R. needs to be re-educated on how important it is for them to bring the information back to group. (Possible incentive to get them to show)

Website Project

Susan suggested a workshop for trusted servants of subcommittees; purpose to teach them how to access the website if it pertains to their service committee. We also discuss rearranging the home page of new website meeting schedule: to have meeting type to be listed at top of page.

Fair

We discuss Gwinnet County Fair: volunteers under no clean time requirement will be with a person, with at least 1 year clean time. We are asking that all volunteers working booth, must come to P.R. training Saturday August 24 12 noon for dues and don'ts and orientation.

Poster Drive

We have printed 100 poster cards for review, for upcoming poster drive.

Meeting Set up for August 25th at Covington Diner at 2:00. Our goal is to have new policy in place by elections in November.

Facilitator will start training co-facilitator today to get her ready for her new position.

~~Met~~ Treasurer expressed concern about how people are asking for checks. Checks will now be cut ^{before} ~~or~~ after the area meeting. Please present your receipts or documentation to the Treasurer ^{before} ~~or~~ after the meeting for a check to be cut.

Discussed the H+I Budget. Need a new line item for when the H+I Chair needs money for something other than mileage or literature.

The treasurer discussed some items on the budget that we have not paid anything on this year. Admin decided to leave these items on the budget in case its needed in the future.

RCM Report

Dear Family,

I am here to say that I am sorry I cannot attend the rest of this meeting, my son turned 20 on Friday and his girlfriend planned him a birthday party, needless to say she was not aware of our area meeting so the party is actually going on right now, so I will be leaving following this report. We do not vote on regional topics until next area so that should not be a problem, I just wanted to show up and be counted present and deliver to you in person the reason for my partial absence.

If you have any suggestions or ideas from your home groups concerning the mileage rates please pass them on to Jennifer, if not you still have another month to procure that information and we will definitely open it up for discussion next month as well, in the interim if you have any question or concerns please do not hesitate to call me or email me @ 404-542-8509 or jol-n-atl@att.net

I have attached the regional topics once again, and they will be included in the minutes please go over them with your groups if you have not done so already and as always thank you for allowing me to serve.

Topic # 2013-1 Source: Steven K.-Marietta See Revision
Below Assent- Assent w/Res - Stand Aside – Block Topic: To
change mileage rate from current rate of Federal Business mileage
guidelines to 60% of current rate guidelines. Rates to be set each
year in March, and reflected in the Budget for the following year.
(Note current Federal Rate is .56 cents per mile.)

Intent: To allow the Region to be self-supporting by following
prudent financial guidelines Policy Affected: Article 13-A-
n Financial Impact: Savings of at least \$3,250.00 annually.

Notes/Talking points in our Discussion -

Calculating mileage in a sustainable way.

The validity of mileage for trusted servants being reimbursed. -

How much of an impact on our expenses is it really? -

Are Federal guidelines a good standard? -

Is this the first place to streamline (RSC budget)?

Are there alternatives? –

Can we create a more independent way to do the math around
mileage?
