Everything is going well.

We met today and discussed possibility of supplying MARR with literature and need to clarify if Area wants us to continue to supply them.

Readings will be read at the beginning and after dinner. The chair will open each hour

with the serenity prayer and then introduce the speaker. Each speaker will speak for 45 min. to allow for transition and the basket to be passed after each speaker. Speakers were selected from a list of names collected over a period of time and mostly at Region. Names of NA members with at least 15yrs clean time who volunteered to speak were put into a hat and drew at random for fairness but some discussion and adjustments were made by group majority when we discovered that there were too many east-end area participants. As always we are striving for unity and bringing in people from other areas serves this intention. The schedule( pending conformation of each individual) is as follows and is subject to change. Back-ups are being arranged as well.
