OLD BUSINESS

-There are no nominations at this time; Rob has withdrawn his nomination for Co-Facilitator, since he is moving back home, therefore this position remains open (along with Secretary and Alternate Treasurer)

OPEN FORUM

- **ATTN ALL ADMIN:** TIFFANY NEEDS YOUR 2011 BUDGET TURNED IN, EVEN IF YOU DID NOT SPEND ANY MONEY!!!
- There were questions for Activities (Elaine) regarding total amounts raised for GRCNA to this point and if the cruise in 2011 was arranged by the Activities Committee.
- Fred announced from the Regional level that it has been practiced in the past that those who registered for GRCNA would be asked before those who didn't register, to participate in workshops and be speakers, however, they are trying to overturn this by voting to let anyone, registered or not, have 1st rights.
- Beth spoke to announce GRCNA details and the importance of EEA hosting this year. She also spoke about the hospitality room and announced there will no longer be a coffee drive, since the contributions have been limited and we need to money to buy in bulk more massive amounts of coffee/creamers, etc. There was some disagreement about using money to buy coffee when some believe we are getting decent donations and still have a couple months until GRCNA.
- There was discussion about GRCNA in general and how much we have raised to this point ; It was explained that many people do not register until the day of the event, so that is where the majority of the 40K comes from.

TAKE BACK TO GROUPS

- New meeting on Wednesday night in Stone Mountain (see flyer) and Holding On Group is resuming meetings on Friday (5-6 pm) and Sat (6-7 pm) @ 724 Rock Chapel Rd in Lithonia.
- I am including in the minutes a 2011 and 2012 Budget, along with the December 2011 Treasurer Report. If there are any questions about this, PLEASE feel free to contact Tiffany @ 770-364-1802.

- THE CAR REPORT IS OUT AND SHOULD BE PRINTED BY AT LEAST ONE MEMBER OF EACH HOME GROUP. PLEASE PLEASE PLEASE TAKE THE TIME TO LOOK THROUGH THIS (WILL TAKE SOME HOURS TO SIT DOWN AND GO THROUGH ALL 224 PAGES), SINCE IT HAS MAJOR TOPICS IN IT THAT CAN CHANGE POLICY FOR NA WORLDWIDE.

- If you are not able to set a date to go over this report with your home group, anyone is welcome to join the Living Free Group in Jefferson for their CAR workshop on January 21st at 10 AM!!!

-Also, to download the CAR for free, go to www.grscna.com , Minutes, RSC Minutes for Dec 2011, scroll down to page 7 and there is a link at the top of this page to download the report.

-Changing in Grayson and Harvest Group have joined together to host a GRCNA fundraiser on Saturday, February 25th at Amazing Grace Lutheran Church in Lilburn from 4-9 pm. There will be trivia, karaoke and more. . . more details to come VERY SOON!!!

CPP Liaison Report;

With two months left before our first hosting of the Regional Convention there is still much that needs done. In fact the closer it get the more we will need your help and support. On site at the convention we are going to need a lot of volunteers so I need you to individually contact me with your name, contact info and clean time as well as when you plan on being at the convention. GSRs, I need at least two volunteers from each homegroup that will be at the convention willing to chair time slots at the marathon meeting. I would hope by this time everyone in the area has registered for the convention. If you are not able to afford your registration but would still like to attend, volunteering to help with the convention is a great way of being self-supporting. And we really need your help this year.

Thanks to all that showed up at the New Years Dance. And to all those who helped make it a great success. Elaine has been really busting it out this year and could use some help as we come down to the wire now. Thanks to all that have been working with her this year, it really means allot. We really need people to contribute to our efforts to supply coffee and light refreshments in the hospitality room at the convention this year. Please please, please get with Elaine, Beth or myself and help us make this happen. Cash donations or volunteering time to help man the hospitality room will be greatly appreciated.

There will be a dinner play at Zoar United Methodist Church in Snellville called REASONS . It is a fundraiser for this year's convention. Tickets are \$15.00and you can purchase them from me or at the door.If your group is planning any more GRCNA fundraisers please let me know so that I can pass the word on to the committee.

Thanks for all your support

GRSC ADMIN MEETING MINUTES December 10th 2010

- Admin met to discuss the needs of the RSC regarding communicating the Conference Agenda Report in the most effective manner possible. The CAR will need to be voted on in March at the RSC. We began discussing how we might utilize the time at the RSC to address resources such as people and money by Areas cooperating for services such H&I, PR and/or phone lines. We plan to provide a short CAR workshop today; however, all RCMs are highly encouraged to attend the workshop on February 4th at 9:30am at Westin Hotel at the Atlanta Airport. This would give everyone the opportunity to be educated on the CAR to be able to provide their Areas with the education they need to be able to make informed decisions on the CAR.

RCM Topics Meeting

This excerpt can be read to explain where the Service System Project has come from:

Service System Background

Our service system has been the focus of our fellowship Issue Discussions for the last ten years: from "How can we create a bridge that builds and maintains a connection to service for home group members?" in the 2000-2002 conference cycle, through "Infrastructure" (2004-2006) and "Our Service System" (2006-2008) to the topics of "Leadership" and "Communication" in the cycle we have just completed. The feedback we received from these discussion topics is echoed in the reports submitted by regional delegates to the WSC, emails and phone calls we receive at the WSO, and the discussions we have together at workshops, zonal meetings, conventions, and the WSC itself.

Again and again we hear about unfilled service positions, apathy, poor communication, and a negative atmosphere in our service meetings. More specific concerns include little or no training for trusted servants, the misuse or mismanagement of finances, ineffective services such as partially manned helplines . . . the list goes on and is sadly familiar to most of us. The Service System Project grew out of the need to find new solutions to these old problems.

NA World Services suffered from many systemic problems as it grew over the years and decades: duplication of services, poor communication, competition for resources, and an at-times hostile service atmosphere were some of the more glaring examples. By the early 1990s these problems were threatening to overwhelm our service efforts, a situation that led to the World Services inventory process. From 1993 to 1998 various committees worked to examine what we had, and to propose ideas for change. This led to the reformation of the Board of Trustees, the WSO Board of Directors, and the WSC committees into a single World Board; the creation of the World Pool and the Human Resource Panel; a unified budget for all world level services; and the writing of a NAWS Vision Statement. These structural changes have been followed by changes in the way we work together to deliver services. The strategic planning process, a project-based work cycle, and the use of consensus-based decision making at the conference are all examples of new processes that are more in harmony with the principles we all embrace as members of NA.

The rest of our service system, however, has never undergone such a thorough examination or radical overhaul. The structure and processes we have on a local level today (regions and areas) are almost identical to the ideas presented in *The NA Tree* in 1976. As we grow and NA spreads around the world, we repeatedly encounter problems that our rigid system fails to address. Time and again we apply the structure we have to an increasingly diverse set of conditions because it is the only option we think we have. The 2008 WSC approved the formation of the Service System Project to take a holistic look at NA service, and propose options for change.

The 2008-2010 Strategic Plan contained this approach:

Develop a vision for all NA service efforts and begin to explore best practices and options for local service delivery. This project will be rooted in an analysis of the success factors that work across our service structure, as well as allow for flexibility in meeting unique local needs. This will ultimately result in a rewrite of *A Guide to Local Services in NA*. We expect that the first cycle of this project will be focused on gathering options and presenting them for discussion in the fellowship.

Our first step in the project was to create *A Vision for NA Service*, unanimously approved by WSC 2010. Our hope is that this will serve as a guide and focal point for all our service efforts. This fundamental look at our ideas about service led us to focus on services from the ground floor up, rather than just propose changes to what we already had. We started by thinking about what needs the system has to fulfill in order to best support our groups in their primary purpose of carrying our message. WSC 2012 Summary Sheet Motions, Resolutions, Straw Polls, & Proposals

World Board Resolutions

- Resolution 1. Our service efforts will be carried out through a system that includes structure, process, people, and resources.
- Resolution 2. The service system is group-focused and includes a local-level body dedicated exclusively to addressing group concerns.
- Resolution 3. Training and mentoring of trusted servants are essential functions of the service system.
- Resolution 4. Service bodies are purpose- and vision-driven.
- Resolution 5. Service bodies work together to utilize planning processes to organize and coordinate their efforts.
- Resolution 6. Service bodies make decisions by consensus.
- Resolution 7. The service structure includes local service bodies, state/nation/province service bodies, and intermediate bodies if needed. Service bodies follow established geographic boundaries. They are not self-determined, but are formed, based on need, through a collaborative planning process and agreement with other affected service bodies at the next level of service.
- Resolution 8. State/national/province boundaries are the primary criterion for seating consideration at the World Service Conference.

World Board Straw Polls

- a) There is a small, neighborhood-sized body devoted to group needs. This group forum, which is typically not part of the delegation stream, is informal in nature and operates through conversation not formal decision making. (See page 56 for a detailed explanation of the body devoted to group support.)
- b) Groups send a delegate quarterly to a local service planning meeting. One of those quarterly meetings is a general assembly where all interested members are encouraged to attend and input is given to help plan service activities for the cycle. (See page 61 for a detailed explanation of the local service body.)
- c) Services are coordinated by a local service board and carried out by members, committees, and project workgroups who report to that board.
- d) Local service bodies follow county, city, or town boundaries, where practical. (They are much larger than the group forums mentioned above and in many cases larger than the current ASCs.)
- e) The boundaries of those local service bodies are agreed to at the state or national level.
- f) Planning cycles are synchronized from level to level (local to state to global) as well as across each level.
- g) When service needs cannot be accomplished effectively by local service bodies and state/national/province bodies, an intermediate level of service can be added. (See page 64 for a detailed explanation of an intermediate service body.)
- h) Most states, provinces, or countries have one state-, province- or nationwide service body that is responsible for state- or national-level public relations and coordinating efforts such
