GSR GROUPS REPORTS: See reports that follow

OLD BUSINESS:

- Topic 1201, to approve the 2012 budget – 9 out of 9 GSR's voted yes.

OPEN FORUM:

- There was some concern about some NA members advertising names of certain treatment centers, etc. and feedback was given to discuss the issues one on one with the newcomer after the meeting.
- Also discussed that we need to be cautious in the way we approach a newcomer & make sure we are allowing them to share, without feeling like they can't say what's on their mind.
- Concerning a new group starter package, the question arose about when we should give the \$100 starter allowance (for literature, keytags, etc) to a meeting who is being formed in EEANA. Tiffany looked at our policy and there seems to be nothing clarifying this. Some assumed the meeting had to be active and present at area for 3 months and some stated that we should give the money right away, since the addict should not use his / her own money to carry the message of NA. We gave 3 groups \$100 today, 2 of which this was their first area meeting and 1 which this is their 3rd area meeting. They will all bring back receipts to show how the money was spent.
- It was discussed that we should form a policy committee to look over and revise the policy – it will also brought to our attention that Jim S. worked extremely hard to do this for a couple years not to long ago and that we should contact him for a copy of the revised policy. (Keith wanted to nominate Seamus to head this group and David stated to wait until next month (talk to Jim first) to decide.

- Elaine spoke about GRCNA and thanked all for their support and fundraising efforts. She also stated that there were issues getting hotel rooms for GRCNA and she called to have another block opened up, so this has been resolved.

TAKE BACK TO GROUPS:

- Elaine needs bottled water donations for GRCNA!!!!
- New groups have formed – see attached flyers for Back to Basics I & II AND for Let the Truth Be Told (men's meeting)
- There are 2 topics (1202 and 1203) attached, that do not need to be voted on – have already been voted on by GSR's.
- CONGRATS TO KEITH L. – HE IS OUR NEW CO-FACILITATOR FOR THE EAST END AREA!!!

NEW BUSINESS

PR Report

March 4, 2012

Phoneline doing good We received 89 calls of these 19 were transferred to the cell phone. The updated voice prompts seem to be working as a ~~lower~~ ^{percentage} of calls are being transferred to the cell phone.

We had several new people join the PR committee.

We discussed the letters we are going to send out and identified changes that needed made.

We looked at policy and ^{asked for suggestions} are going to try and have a good working copy by next month.

At area committee meetings, GSR reports provide perspectives on group growth vital to the committee's work. If a group is having problems, its GSR can share those problems with the committee in his or her reports. And if the group hasn't found solutions to those problems, the area chairperson will open a slot on the committee's "sharing session" agenda so that the GSR can gather the experience others have had in similar situations. IF any helpful solutions arise from the sharing session, the GSR can report those back to the group.

2. Alternate GSR:

Groups also elect a second representative called an alternate GSR. Alternate GSRs attend all the area service committee meetings (as nonvoting participants) with their GSRs so that they can see for themselves how the committee works. IF a GSR cannot attend an area committee meeting, that group's alternate GSR participants in the GSR's place.

Alternate GSRs, along with other members, may also serve on area subcommittees. Subcommittee experience gives alternate GSRs added perspective on how area service are actually delivered. That perspective helps make them more effective area committee participants if their groups later elect them to serve as GSRs.

Membership Qualifications and Duties of the GSR

- A. New groups wanting to conduct NA meetings are always welcome to join our Area. The Group will send a representative to the ASC to give a report to the area.
- B. To qualify as an active, voting EEASC Member the New Group needs to Attend two consecutive EEASC meetings and on the 3rd consecutive meeting the group will have a vote.
- C. Groups missing 2 ASCs in a row will lose voting rights.
- D. If a Group loses their voting rights the Group can regain their voting rights on the 2nd consecutive meeting in which they are represented.
- E. GSR and GSRA Duties as recommended by the GLS 2002.

I. GSR

Each group elects one group service representative; even those groups hosting more than one recovery meeting elect just one GSR. These GSRs form foundation of our service structure. GSRs provide constant, active influence over the discussions being carried on within the service structure. They do this by participating in area and regional levels, and sometimes joining in the work of an ASC subcommittee. If we are vigilant in choosing stable, qualified leaders at this level of service, the remainder of the structure will almost certainly be sound. From this strong foundation, a service structure can be built that will nourish, inform, and support the groups in the same way the groups nourish and support the structure.

Group service representatives bear great responsibility. While GSRs are elected by and accountable to the group, they are not mere group messengers. They are selected by their groups to serve as active members of the area service committee. As such, they are responsible to act in the best interests of NA as a whole, not solely as advocates of their own groups' priorities.

As participants in the area committee, GSRs need to be as well informed as they can be concerning the affairs of the committee. They study the reports of the committee's officers and subcommittee chairpersons. They read the various handbooks published by the World Service Office on each area of service. After carefully considering their own conscience and what they know about how their groups members feel, they take active, critical parts in the discussions which form the group conscience of the entire committee.

Group service representatives link their groups with the rest of the NA service structure, particularly through the information conveyed in their reports to the from the area committee. At group business meetings, the GSR report provides a summary of area committee activities, often sparking discussions among group members that provide the GSR with a feel for how the area can better serve the group's needs. In group recovery meetings, GSRs make available fliers announcing area and regional activities.

WHAT IS THE NARCOTICS ANONYMOUS PROGRAM?

NA is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest that you keep an open mind and give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work.

There are no strings attached to NA. We are not affiliated with any other organizations, we have no initiation fees or dues, no pledges to sign, no promises to make to anyone. We are not connected with any political, religious, or law enforcement groups and are under no surveillance at any time. Anyone may join us regardless of age, race, sexual identity, creed, religion, or lack of religion.

We are not interested in what or how much you used or who your connections were, what you have done in the past, how much or how little you have, but only in what you want to do about your problem and how we can help. The newcomer is the most important person at any meeting because we can only keep what we have by giving it away. We have learned from our group experience that those who keep coming to our meetings regularly stay clean.
