EEASCNA Literature Committee AD Hoc Proposal

"Our common welfare should come first; personal recovery depends on NA unity."

The unity called for in our First Tradition can be threatened when our principles are compromised by fear of diversity. Our diversity is our strength, the broader our base, the higher our point of freedom.

Topic: Establishing an East End Area Literature Committee

Intent: To better serve East End groups literature needs and reduce the cost of carrying the message

Cost: \$0.00 – storage space rent

Proposal 1: Is to not change anything

Proposal 2: Group order consolidation

Proposal 3: The East End to form a Literature Committee

Eleventh Concept

NA funds are to be used to further our primary purpose, and must be managed responsibly.

Service funds aren't easy to come by. To fulfill our primary purpose, we need all of the financial resources at our fellowship's disposal. Our groups, service boards, and committees must make prudent use of the money we give them, refusing to spend money frivolously or self-indulgently. With NA's primary purpose in mind, our services will avoid wasting money, using the funds they've been given to carry our message as effectively as possible.

Fifth Concept

For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.

Proposal 1: Not change anything.

Each group will be solely responsible for the ordering of their groups literature and all the cost involved including shipping and handling cost. ***There is no additional cost to the Area in this proposal***

Proposal 2: Group order consolidation

Is where multiple groups come together at the area service meeting with their group's order for the month and consolidate multiple orders into one large order thereby reducing the individual cost of shipping and handling as well as possibly qualifying for bulk order discounts. Group reps will be contacted when order arrives (approximately 2 weeks) and pickups will be arranged. This task will be

performed by a Literature coordinator and literature subcommittee members.

There is no additional cost to the area in this proposal.

Proposal 3: The East End will form a Literature Committee

The Literature Committee will order, separate and store literature supplies to serve the East End groups. This will make supplies available for group orders to be pick up at the area service meeting. In theory all orders initially will be one month behind which will allow the ASC to service group literature needs in a timely manner since GSR's will be able to pick up group orders at the area service meeting. There is a storage fee associated with this proposal. Example a 5'x5' climate control space costs between 35.00 – 50.00 per month or 1.52 -2.25 per group per month.

The process goes as follows:

GSR brings order to Area Meeting with money order

GSR turns order in to Literature Coordinator

Literature Coordinator Verifies order and money order is correct

Literature Coordinator consolidates orders

Literature subcommittee members separate orders

Literature subcommittee members distributes orders to GSR's

Literature coordinator Turns in all money orders to Area treasurer

A monthly order is then placed.

Second Concept

The final responsibility and authority for NA services rests with the NA groups.

The NA service structure has been created by the groups to serve the common needs of the groups. Our fellowship's service boards and committees exist to help groups share their experience with one another, provide tools which help groups function better, attract new members to group recovery meetings, and carry the NA message further than any single group could carry it alone. Because the groups have created the service structure, they have final authority over all its affairs. By the same token, the groups also have the final responsibility for the support of all its activities. The two go hand in hand.

Bulk order discount:

WSO 6% discount on 500.00 or more

2 week delivery on orders placed with credit or debit card and 3 weeks with check

After 5 consecutive times, orders can be billed and paid later
