PR Subcommittee report

05/04/2014

PR committee met on 04/19/2014 topics discussed were the upcoming Learning Day.

The agenda was set for the Learning which now included having a speaker to speak on service.

All final preparations needs to be completed by Friday 04/25/2014 and we are to meet at the church at 12:00 to set up the facility.

The learning Day was a great event with participation from the End End, West End, South Atlanta and Extreme North areas.

All of the areas actively did workshops that cover the many facets of PR and the things we use in getting our message out to the public.

The new Public Service Announcement (PSA) was launched at the Learning Day and is 1 of 5 PSA's that our region is developing. We are still in need of people willing to do voice overs to assist in the making of future PSA's.

The East Committee has pledged it's support on some of the Georgia Region wish list items such as getting the visual and audio PSA to as many TV and Radio stations as possible.

The development of an NA poster containing the toll free number and web site info to be distributed throughout the entire Georgia region. We are currently seeking printers who have the capacity to mass produce if needed.

Wish list items such as Walton County Jail are up in the rotation committee members are a little cautious about this venture based on participation. We are sending out sign up sheets to the home groups in order to get a feel for our ability to service that facility properly. We ask all GSR's to let in be known what we are trying to do and bring back the sheets to the next area. We don't want to start something that we can't service the right way.

A poster drive is a calendar item for the second quarter the time will be set at upcoming committee meeting.

Gwinnett County Fair is a third quarter calendar event for 09/11/14 – 09/21/14. The Region has already put the event in it's budget and world PR is sending us a case of literature to give away at the event.
