### **Why Register?**

NA members often ask "Why Register?"

The convention incurs a great deal of expense. These expenses include convention center rental and food purchase requirements that need to be paid prior to the convention. Other expenses are DJ's for the dances, merchandise, programs, items included in the registration packets and printing of flyers.

We believe once participants understand that the funds from registration make the event possible and the funds collected are used for the planning of the next convention, the question "Why Register?" will be answered.

You registration entitles you to attend scheduled events that do not require a ticket. Monies collected will help carry the message to the addict still suffering.

### **Newcomer Packages**

In line with the belief that we can only keep what we have by giving it away, we offer the opportunity for members to make a special donation to pay for the convention registration of newcomers with 90 days or less clean time.

## Why Do WE Register??

The money that is collected by registration is used to pay for all event related expenses such as: snacks and beverages provided in the hospitality room, printing of programs & flyers, registration packets, badges, cost of the main meeting room and/or other rooms used to hold workshops and main meetings, initial deposits for the hotel, and merchandise. Additionally, the funds collected are used for the planning of present and future conventions. The reason to register is clear once the participants understand that registration fees make this (and future) events possible. It is a donation that helps to make the convention a success.
