Date: April 8, 2018

From: East End Area Ad Hoc Subcommittee on East End Area Inventory

Subject: Report of Formation and Work of Ad Hoc Subcommittee on East End Area Inventory

Overview

Once again, we would like to thank the East End Area of NA for the opportunity to serve on the Ad Hoc Subcommittee on East End Area Inventory. Our subcommittee met on Saturday, March 31st, 2018.

The following members were present

Colleen C
J Jackson
Jennifer C
Naomi B
Willie A
Steve P

Also, members, but not in attendance were: Joe B and Seamus C.

Our first order of business was to discuss our mission and derivative goals. It was discussed that we want to determine how the Area is servicing the groups in our area and how our groups are servicing the addicts in our area. The ultimate mission is to determine what we can all do to achieve a more unified and efficient East End Area with mutual support among groups and between the groups and the EEASC. During the discussion and review of Inventory Instrument/Form samples from other areas throughout the US as well as on the NA.org website, we discovered that we really needed to understand the true intent of the topic/motion from the group and GSR who submitted the topic/motion. Toward that end, Jennifer C volunteered to be of service in contacting that GSR to determine the underlying intent of the motion to ensure our subcommittee is meeting that intent. Further discussion focused on other sources for instruments and materials with particular attention being paid to our Traditions using the Guiding Principles book. Our next meeting is set for Saturday, April 21st, at 10:45 am at Snellville UMC, Building H, in the small room where How It Works meets.

Any concerns and questions regarding the Inventory should be forwarded to this committee via Naomi B at nbenator@comcast.net. Thank you to the members for their willingness to serve and again to the East End Area for this opportunity to serve.

In Loving Service,
Naomi B.

Why Do WE Register??

The money that is collected by registration is used to pay for all event related expenses such as: snacks and beverages provided in the hospitality room, printing of programs & flyers, registration packets, badges, cost of the main meeting room and/or other rooms used to hold workshops and main meetings, initial deposits for the hotel, and merchandise. Additionally, the funds collected are used for the planning of present and future conventions. The reason to register is clear once the participants understand that registration fees make this (and future) events possible. It is a donation that helps to make the convention a success.
