RCM Report

Next RSC will be September 8th & 9th

- CPP Policy changes need to be voted on

Full report below:

Hello All,

Hope this finds everyone well.

At the last area service committee meeting in Snellville, I reported back to the groups that the previous Georgia Region convention in Jekyll Island did indeed incur losses close to \$17,000. To be fair, the committee chairperson for that convention did step away from his duties nearly halfway through his commitment, leaving much in disarray for the vice chair. The current convention chair is acutely aware, concerned and dedicated to making sure that the 2019 convention will not be such a fiscal fiasco.

Next, the convention committee panel asked the home groups to approve several housekeeping matters with regards to their existing convention planning policy. These changes were sent to each home group representative via email two weeks ago. If you did not receive this information, please contact Kristen or me to get a copy sent to you. After review, please let me know at the next area meeting if your group has any questions or concerns. A vote for the approval of these changes will be garnered on the floor at our next area meeting.

Continuing, I want to welcome and congratulate Jackson for becoming our area's next Regional Committee Member. I look forward to working with him while we both hone our skills of carrying your voice, including issues and concerns to and from the quarterly Georgia Region meetings in Forsyth.

Please contact me if you have any questions or if your home group should need anything in particular either from our area service committee panels or from our regional service committee panels.

Regards,

David Ching

What do you feel are your strengths?

My strength is my "Higher Power / GOD" and the faith that I have in HIM thru Narcotics Anonymous and Sponsorship. N A and my Sponsor has afforded me with "Working Knowledge" of the Twelve Steps, Traditions and Concepts. Working closely with sponsees are a strength also because they keep me "Green" and help me see new perspectives. Additionally, Gratitude for Good Orderly Directions fuel the flame of "Desire to be of Service".

What do you feel are your weaknesses?

I feel that my character defects present the biggest challenges for me presently. However I have been blessed with a Great Sponsor/sponsorship family, HomeGroup and Network that Work the Twelve Steps Traditions and Concepts. As a result I am blessed with the willingness to be open and practice spiritual principles in "All" of my affairs. Unfortunately, character defects "pop-up". I thank GOD and the company that I keep, because they HELP ME do and see the things I can not do and see for myself.. Additionally, i have been told that "I am a perfectionist".

What accomplishment(s) in your job, in service, and/or throughout your life are you most proud of?

The brightest achivement is living in retired status and becoming free to seek fulfilling challenges that will further my growth in the recovery process. This status will afford me the opportunity to develop a more rigorous program and the time to help carry the Narcotics Anonymous message of recovery. Because of my recovery, I have been blessed with the chance to become an IT Masters degree recipient . I have been able to use these skills for Narcotics Anonymous in ways that help carry the message of recovery in contemporary formats and do "Step Work" with sponsees in remote locations.

I am grateful and thank GOD for the "Spiritual Awakening" that has occurred in my life and love to give back, that which has been so compassionately given to me. Being able to be of maximum service to GOD (Group of Druggies) is working in my purpose.

What do you believe you can bring to Area Service?

I bring the "Willingness" to be of maximum service to Narcotics Anonymous and the East End Area by resounding the voice of the Groups making up the Area at the Regional Service Meetings. I bring the "Desire" to serve with integrity and an open mind. I have been blessed thru NA and would love to show my gratitude by giving back. I bring the ability to work with others thru controversial issues and be teachable with a level of humility and integrity.

Why do you want to serve?

Service is the currency with which I pay my "Power Bill". I serve with "desire and willingness" and gratitude to the best of my ability because serving is how I grow and I pay back my Higher Power for the tools which allow me to be happy, joyous and free.
