Georgia Regional Administrative Panel. Summary of the Assembly reports below:

Facilitator *Hugh R.* **Co-Facilitator** *Joe B*

- A. The GRSC pays about \$1,600 a quarter to facilitate the RSC and need to find a new meeting space for next year. The ownership has changed and want to make changes to venue. March 2019 meeting will be relocated to the Georgia Regional Convention. Arrangements need to be made to accommodate this change. (Lodging, per diam and travel expenses).
- B. Please adhere to the guideline of "Any "Topic" that change policy must go back to the "Areas" for approval.
- C. Regional Committee Members must do a more diligent service of getting information about "FUNDRAISER" and other activities going on with-in the Region.
 - **D.** Orientation for the new RCM members began at 12:30 with a focus on
 - 1. CBDM voting process and included a hand-out on the subject.
 - 2. BMLT login instructions and procedures
 - 3. RCM guidelines from the Guide to Local Services (hand-out)
 - 4. Regional Policy and Guidelines summary and hand-out
 - E. Work is being done on the World Website for a module that is entitled:
- "How to Get Your Records Expunged". Also, there is information being add to the www.na.org website on "How to Make the Diversity Work". Please be encouraged to study the N A website for useful information on Consensus Based Decision Making (CBDM).

- **A.** The actual budget and proposed budget are two totally different entities. There has been no money over prudent reserve since last year. Last year we brought in (round to 100) \$23,500 spent \$24,300. We had a budget of \$33,700, with a prudent reserve of \$11,000. Overage came out of prudent reserves.
- B. The IT budget is \$3,000 dollars. Use of the Regional technologies may help cut phone cost allowing those funds to come to "Region" (Telzio)
 - C. We must determine ways to cut cost.
 - 1. Needs from wants and luxuries.
- D. There is a need to increase donations to Region! Therefore, the groups may need to donate more to Area. See Guide to Local Service and The Group Booklet Secretary

Public Relations Report

5. I'd attended my first GA Regional Service Conference on December 9, 2017 at 400 Holiday Circle, Forsyth, GA. Most of the areas are going through the same issues of lack of service to carry the message, support groups and sponsorship. We should look at the regional calendar and attend each other area events for support. Learning day and workshops on IPs. The areas are interested in the PR inventory we are conducting and would like panel to forward information to them.

The following literatures are good tools to add to kit and learning.

Item #2306 – NA and Persons Receiving Medication-Assisted Treatment, Social Media and Our Guiding Principles and bookmarks. It was suggested each area could modify regional 1-800 phone number and use their area phone number on posters and/or bookmarks.

HELPLINE: Number of Helpline calls 5 for the month of December 2017.

The Task Laher review 2017 budget and compile 2016 budget. Review budget and added expense of \$100.00 for phone.

East End Area Service Committee Inventory July 2018 Nine Homegroups completed Inventory

How well has the Area served local groups this year?

physical, the area needs improvement to contact groups that are struggling and/or needs suppot, assistance, etc

How well does the area communicate with the local groups?

How well does the area respond to the needs of local groups?

Up to the GSRs to help each other

Visit Homegroups

How well is the area managing its donations and the area treasury?

Wasting money by paying rent for meeting on Saturday with little or no attendance some concern that subcommittees aren't being funded in a timely manner (money going to region instead of subcommittees)

How effectively does the area demonstrate responsibility and accountability?

There is no control of the meeting, needs to be more organized, more responsible

How fully does the area train and support members who serve on the area service committee?

how would we actually implement this?

The orientation package is a joke, there needs to be training as per policy.

There needs to be training on consensus based decision making

H&I does not appear to be fully informed or trained

Lack of training, or no training at all. Just placed into position. Training

How well does the area service committee foster an atmosphere of courtesy and mutual respect?

Please implement learning day, workshops H&I subcommittee

more compassion and understanding needed for members

Need to do the basic things of recovery, practising these spiritual principles to all people

How completely does the area provide opportunities for commenication about committee concerns to the local members and groups?

Seems to be problems with H&I

listening skills / skill training

the area is quick to respond to the needs instead of listening. The area thinks the groups should serve them.

How well is a sense of unity fostered within the area service body?

good at the top, seems to be distant on branches ie.activities, H&I

Racial divide (diversity is our strength)

No support to the outlying homegroups

secrets side conversation does not guide towards unity. Should have a forum among the service body & groups

How positively is a sense of unity shown within local groups?

Groups don't support each other

Little inner-group support

Little, love to see area at local groups more than once a month

What is the area's experience with trusted servants?

They are not being trained

slippery slope

warm body syndrome

Unknown

If you are part of a particular group - good- if not none

How well has the area fostered the willingness of the local fellowship to volunteer for service positions?

we have too many open positions

not attractive

nobody wants to step up

Lack of training

How well does the area practice continuity and rotation?

Each person that serves on the area level, should attend an area policy workshop, then we can answer this question

How well does the area function in maintaining a full complement of trusted servants, with no open commitments?

No alternates

not attractive

How fully does the area create an environment where the conscience of the body guides the decisions and direction of the area?

very little guidance

some people cannot read and or comprehension

Is there any particular area of service and/or area function that you perceive is outstanding

I believe the board is stronger than it has ever been, seems to be going in the right direction

Treasurer (outstanding)

Activities has done very well this year

Public relations has been doing a great job

all areas

Treasurer, H&I meetings, PR website timely

No

Gwinnett County Fair

Is there any particular area of service and/or area function that you perceive would need improvement?

All except area treasurer. Suggestion more workshops at area events

H&I needs to grow in every area, so they meet at least monthly

Attraction rather than promotion and fostering a sense of unity

communication

Training, Training on consensu based decision making

Facilitator needs to learn consensus based decision making

Time management at meetings>>>needs to be policy adjustment limiting speaking/ allow for

better meeting flow

Subcommittees need improvement in communication and training

all areas of service

H&I

All Sub-committees

Why Register?

NA members often ask "Why Register"?

The convention incurs a great deal of expense. These expenses include convention center rental and food purchase requirements that need to be paid prior to the convention.

Other expenses are DJ's for the dances, merchandise, programs, items included in the registration packets, and printing of flyers.

We believe that once participants understand that the funds from registration make the event possible and the funds collected are used for the planning of the next convention, they will want to register early to support the convention!

Your registration entitles you to attend scheduled events that do not require a ticket. Monies collected will help carry the message to the addict still suffering.
