Why Register?

NA members often ask "Why Register"?

The convention incurs a great deal of expense. These expenses include convention center rental and food purchase requirements that need to be paid prior to the convention.

Other expenses are DJ's for the dances, merchandise, programs, items included in the registration packets, and printing of flyers.

We believe that once participants understand that the funds from registration make the event possible and the funds collected are used for the planning of the next convention, they will want to register early to support the convention!

Your registration entitles you to attend scheduled events that do not require a ticket. Monies collected will help carry the message to the addict still suffering.
