Subcommittee Reports

Treasurers Report

The beginning balance for the February statement was \$5,155.34 and the ending balance is \$5,988.26

Since last month's meeting, we have received \$778.00 in group donations. The previous \$942.78 available on CashApp was "cashed out" on 2/11/22 and cleared into bank on 2/15/22. An additional "cash out" on 3/1/22 for \$100 cleared into bank on 3/3/22. The remaining \$274 is in the process of transferring currently.

We had monthly expenses incurred in the amount of \$209.86. This was a repayment for financial maintenance of the zoom account. I will be setting up a recurring payment on that zoom account so that we will not have to continue writing checks. I still have not received the info from Jackson on the HOTLINE phone number to re-establish that payment.

Our Prudent Reserve is set at \$1715; **we have overage of available funds in the amount of \$4,283.26.**

I am grateful for the opportunity to serve the East End Area as Treasurer. If any Trusted Servants have questions or concerns about the Area finances, please feel free to contact me

OPEN FORUM

- How are we going to run business, laptop not approved, prudent reserve not approved? Disappointed our area bringing back No vote when Secretary is in East End
- Looked at old minutes, policy was indeed edited and reformatted by outside company that was paid, could not find any info on whether final copy was viewed and voted on and put into place
- Topic was passed to change how the ASC meeting is formatted, wanting to update hard copy of policy and reupload to East End website
- Passing votes not understanding topics, spend 2 hours talking about things that don't matter instead of things needed to run business
- Computer, why can't they vote on it - treasurer pull money out CashApp so it's not lost
- Region has to ask areas to change policy, no one paying attention
- Agree with what has been said
- Group voted no but did agree on topic, but can't vote without group
- Suggestion for future, amount of money seen and voted no, maybe 'Not to Exceed' put in to clarify
- Did not agree to being badgered about service commitments not taking commitment seriously being lazy etc.
- Speakers for speaker jam needed
- Voted in RCM then he left for group reports & people wanted to revote at last month's area, he is gone now again when wanting to revisit situation
- Going to find out information on new locations to meet at for making a Topic for meeting in person again for ASC
- How it Works Virtual and How it Works in person can be two different meetings
- Twin Lakes meeting - can start a NA meeting in there just like starting any other meeting - establish then come to area to be recognized
