Reading of Article III – Ica B.

Article III: *A. Definition and Function of the Area: The Area Service Conference (ASC) is the communicative channel for a unified Fellowship, a tie that binds us together. The ASC serves as a link in the flow of communication from the member to the worldwide Fellowship, establishes a structure in which services and education are provided, and functions as a vehicle through which our Area Fellowship and society can relate. The EEASC is a committee made up of Group Service Representatives (GSRs), special purpose Task panels and an Administrative Body from Member Groups of the East End Area.*

H&I Report

Talked about the meetings and the men are on Wednesday the men alternate and Thursday the women have 4 different panels. Things are going well, the men average between 5 and 8 attendees, the women have between 8 and 12 women in attendance each meeting. Steven went to the Activities meeting in an effort to coordinate future dates for a learning day. He stated that they were very receptive in working with us to achieve a common goal and that is to carry the message. Steven also mentioned attending Region and was introduced to the H & I Bridge program, and we are looking at ways to implement the program in our area. The research supports the fact that relapse for released inmates is greatly reduced if they can make a meeting within 24 hours of being released from incarceration. We have our monthly meeting on the 3rd Tuesday of the month, and our next meeting will be held on the 17th of February 2026.

Thank you for allowing us to serve and to be of service.
