

EEASCNA Minutes December 2025

East end area is part of a worldwide Fellowship.

Article III: A. Definition and Function of the Area: The Area Service Conference (ASC) is the communicative channel for a unified Fellowship, a tie that binds us together. The ASC serves as a link in the flow of communication from the member to the worldwide Fellowship, establishes a structure in which services and education are provided, and functions as a vehicle through which our Area Fellowship and society can relate. The EEASC is a Committee made up of Group Service Representatives (GSRs), special purpose Task panels and an Administrative Body from Member Groups of the East End Area.

H&I Report

H and I is going well, we did carry the message to the jail during the month of November with the exception of the week of Thanksgiving. We picked up the following week with meetings. I have been able to finally make contact with the Point of Contact for inmate services CPL Sellers, and she has provided me with her contact information as well as the email address for inmate services again. It is my intention to work closely with her and the staff to ensure that there is literature available to the inmates at all times. I hope to have an opportunity to get real numbers on what IPs they currently have on hand and what needs to be ordered. We will also establish coordination of distribution of literature in the near future. During the holidays there will be no meetings on the following dates: December 24,25,31 and the 1of January. We remain in need of dedicated members both men and women, who are willing to serve weekly panel. Please don't hesitate to contact me for any questions or if you know someone that is interested in giving back what was so freely given to them. Thank you for allowing me to be of service and to serve.
