Ica opened ASC Meeting with moment of silence followed by the Serenity Prayer

Reading of Twelve Traditions – Steve

Reading of Twelve Concepts – Valorie

Reading of Article III – Ica

> ***Article III:*** *A. Definition and Function of the Area: The Area Service Conference (ASC) is the communicative channel for a unified Fellowship, a tie that binds us together. The ASC serves as a link in the flow of communication from the member to the worldwide Fellowship, establishes a structure in which services and education are provided, and functions as a vehicle through which our Area Fellowship and society can relate. The EEASC is a committee made up of Group Service Representatives (GSRs), special purpose Task panels and an Administrative Body from Member Groups of the East End Area.*

- **OPEN FORUM**

Outgoing PR Chair stated that this task panel continues to not be supported by the areas & groups and that this has been happening for the past several years. Stated areas & groups need to realize the importance of Public Relations to the worldwide NA fellowship. It is an intricate part of trending Fellowship Development. Asked that Areas request Learning Days/Service Workshops from Region's PR and H&I

RD & RDA stated the importance of familiarizing with World Services and the many Fellowship surveys provided via NA.org . This is the best way to have your voices heard as individual NA members, homegroup members & members of the fellowship's evolving service structure! RCMs expressed concerns regarding continuity of service and lack of many members' willingness to serve. How can we help them

H&I Report

Meetings are going well. Men meet every Wednesday that the jail allows from 5:50-6:50pm over Zoom. Women meet 5:45-6:45pm Thursday over Zoom. There have been new people coming in as service panel members on the men's side. We had put out a request for more male volunteers to come in and share a message of hope over Zoom. Requirement is six months clean, and you cannot lead the meeting (chair) if you are on paper, though you can still come to share experience, strength, and hope. Steve is going to speak with Alveta about literature we provided including Basic Text, White Books, Behind the Walls, and informational pamphlets 2-3 months ago. Our goal is to give more literature every three months. We did buy a case of books earlier in the year, so Steve does not see H&I incurring additional costs. It is just a matter of putting the literature together and dropping it off at the jail. Finally, Simone had mentioned in admin. Meeting: planning process is underway to have a learning day either in the East End or a little closer than Evans, Georgia. The goal is to get the resources from region and they need 6 months' notice but will provide $500 in support.

PR Report

PR, H&I, and Activities are looking to have a carnival in July for the learning day to have fun, bring families, and have different areas join us.
PR subcommittee have coming up with a Fantastic Voyage Recovery Cruise, which would go out to three different areas and ports. It is not a NA cruise specific, though it does not break any traditions nor concepts. Some groups may announce it, but they can consider it as a different or outside issue. If you would like to see it, the flyers are available (June 13-19: leaving from Miami).
